UCPD Traffic Stops, Citations, and Arrests (January 1, 2012 - July 27, 2015)

	2012	2013	2014	2015 YTD
Number of Traffic Stops	615	713	1453	2028
Number of Stops with Citations	286	344	729	932
Number of Stops with Arrests	293	197	265	223
Number of Citations Issued	350	464	1067	1920
Number of Arrest Charges	424	272	449	478

The **number of traffic stops** was collected from the UCPD Computer Aided Dispatch (CAD) system. These data are captured when an officers indicate to dispatchers that they have made a traffic stop. The UCPD does not capture demographic information of the driver during a traffic stop. Demographic information is only available if formal action is taken (e.g., citation or arrest).

The **number of stops with citations** was collected from the UCPD Records Management System (RMS). It is unknown if these citations resulted from a traffic or pedestrian stop. The number of stops with citations is a count of the stops, not citations issued (as multiple citations can be issued in a single stop).

The **number of stops with arrests** was collected from the UCPD Records Management System (RMS). It is unknown if these arrests resulted from a traffic or pedestrian stop. The number of stops with arrest is a count of the stops involving an in-custody arrest, not the number or arrest charges (as multiple charges can result in a single in-custody arrest).

The **number of citations issued** was collected from the UCPD Records Management System (RMS). It is unknown if these citations resulted from a traffic or pedestrian stop. The number of citations includes stops where multiple citations were written to the same individual.

The **number of arrest charges** was collected from the UCPD Records Management System (RMS). It is unknown if these arrests resulted from a traffic or pedestrian stop. This is the number of arrest charges, including when a single individual may be charged with multiple crimes in a single incident.

UCPD Traffic Stops, Citations, and Arrests (January 1, 2012 - July 27, 2015)

	2012			2013			2014			2015
